Beginning Monday, January 4, and until about the end of March, 2016, the South Lake Union Streetcar will have significantly limited operation due to construction along Westlake Av and Westlake Av N.

During this time, the [South Lake Union Streetcar](#) will not operate on Monday-Thursday between 9:00 AM and 3:00 PM, on Fridays after 9:00 AM, or at all on Saturdays and Sundays. At all other times on weekdays, the South Lake Union Streetcar will operate normal service.

When the South Lake Union Streetcar is not operating, transit riders can use existing Metro bus service between downtown Seattle and South Lake Union. [Route 40](#) serves Westlake Av and Westlake Av N, and [Route 70](#) serves Fairview Av N. Both routes operate approximately every 15 minutes, weekdays, Saturdays and Sundays.

Visit Metro's [Online Regional Trip Planner](#) for more information about how to get to and from South Lake Union. In order to get a trip plan for buses, un-check the Streetcar/Monorail box under Advanced Options.
